

<p>Week 1</p>	<p>Reading / Phonics - (to be sent via Dojo) / Spelling Shed Writing - Can you write a recount of your weekend? Remember to include capital letters, full stops and finger spaces. Maths - Mathematics Count objects to 20, read and write numbers in numeral and words Recognise numbers to 20 Order objects and numbers Science - What are our five senses? What are the senses? - BBC Bitesize Geography - Can you name and locate all five oceans on a map? Computing - To be able to login to the school laptops your pupil will need to know their password. To learn their password they will need to know their date of birth. (their password is in their reading record) Practice this with your child to see if they can remember their login details. Art - Research Monet - who is he? Can you find about where he was born? PSHE - Helping others to feel welcome! Imagine there was a new child starting in our class. What could we do to help them? PE - Dance Download the just dance app and have a go: https://justdancenow.com/ OR follow along to some videos on just dance. What is your favourite? https://www.youtube.com/channel/UC5-3tkqR92QINQyCrVocb1Q</p>
<p>Week 2</p>	<p>Reading / Phonics - (to be sent via Dojo) / Spelling Shed Writing - Can you write a recount of your weekend? Remember to include capital letters, full stops and finger spaces. Read Sharing a Shell - what words can you use to describe the main characters? Maths - Mathematics tasks Compare objects and numbers - pick up a handful of toys/pasta/counters, how many do you have? Repeat. Which had the most? Which handful had the least? Science - Sight - what can you see from a window in your home? Draw and label a picture of what you could see. Geography- Ask a family member to send you a picture of the outside of their home - can you name the features (windows, door, fence, chimney)? Computing - If you have a laptop or computer at home, get them to practice moving the mouse to different locations. If they are good at this get them to try and use paint to draw a picture.</p>  <p>Art - Using a pencil, can you sketch a seascape? PSHE - How can we make our school community a better place? What would make the school better? (For example ; More play equipment? Somewhere quiet to go and talk? Better seats?) PE - Dance Download the just dance app and have a go: https://justdancenow.com/</p>

	<p>OR follow along to some videos on just dance. What is your favourite? https://www.youtube.com/channel/UC5-3tkqR92QINQyCrVocb1Q</p>
<p>Week 3</p>	<p>Reading / Phonics - (to be sent via Dojo) / Spelling Shed Writing - Can you write a recount of your weekend? Remember to include capital letters, full stops and finger spaces. Read Sharing a Shell. Can you write a sentence to describe the rockpool? Can you use and to join two sentences? Maths - Mathematics Using toys/pasta/counters how many ways can you make 5 or 10? Science - Taste - what is your favourite food? Draw a picture and label it. Extra challenge! - Try a new/different food. Geography - This week we will be looking at human features in geography. This means things that humans have made - houses, roads, parks, shops etc. Think back to the last time you went to school - what did you see on your way? Computing - If you have a laptop or computer at home, get them to practice moving the mouse to different locations. If they are good at this get them to try and use paint to draw a picture. Art - There are three primary colours, can you find out what they are and why they are important. (See attached sheet for support) PSHE - Everybody has a right to learn. How can we ensure that this happens in class? PE - Fitness Can you complete any of these fitness videos? How many can you do in a week? https://www.youtube.com/playlist?list=PLvuT1Bjs2VSF0Yqahj8VAKBwyYFnLJIDa</p>
<p>Week 4</p>	<p>Reading / Phonics - (to be sent via Dojo) / Spelling Shed Writing - Can you write a recount of your weekend? Remember to include capital letters, full stops and finger spaces. Read The Lighthouse keepers lunch. Can you retell the story? Who are the main characters? Maths - Mathematics Addition Using a dice or cut out numbers, pick two numbers to add them together. Draw the spots under your addition sentence to help. Science - Hearing - stand in your garden or near an open window (adult supervision needed) - what can you hear? Is it loud or quiet? Can you hear the same noises at different times? Geography - Look at a map of the UK, can you find out which is land and which is the sea? Can you learn your address and find Harlow on a map? Computing - Search for "SketchPad" it is a free online program. Practice drawing shapes using a mouse. Art - Using only the three primary colours, can you create a picture? PSHE -</p>

	<p>PE - Fitness Can you complete any of these fitness videos? How many can you do in a week? https://www.youtube.com/playlist?list=PLvuT1Bjs2VSFOYgahj8VAKBwyYFnLJIDa</p>
<p>Week 5</p>	<p>Reading / Phonics - (to be sent via Dojo) / Spelling Shed Writing - Can you write a recount of your weekend? Remember to include capital letters, full stops and finger spaces. Read The Lighthouse Keepers Lunch - what disgusting sandwich would you make for the seagulls? Maths - Mathematics Addition - please complete one of the groups of additions. 1) $2 + 3 =$ $3 + 4 =$ $5 + 1 =$ $7 + 2 =$ $3 + 6 =$ 2) $3 + 8 =$ $4 + 7 =$ $9 + 3 =$ $8 + ? = 12$ $7 + ? = 10$ Science - Touch - Can you find items in your home that are: Cold, soft, bumpy, smooth and squashy? For example - a soft pillow and a cold drink. Geography - Physical geography is things that are naturally there (the sea, beach, trees, mountains etc). Have a look at the photo of Walton on the Naze, can you identify any physical geography? Computing - Search for "SketchPad" it is a free online program. Practice drawing shapes using a mouse. Art - Monet used texture in his seascapes, can you make a collage using rips to change the shape of the paper? PSHE - Caring about other people's feelings. Imagine you had broken your friends' favourite toy. What would you say to them? PE - Fitness Create and complete your own fitness circuit. Your circuit needs to include 8 different activities. Each activity should last 45 secs with 15 secs rest. Try and complete this circuit 3 times. Use some of the activities you have learnt by completing the fitness videos or follow Mr Hammonds. Activity 1: Squats Activity 2: Press ups Activity 3: Jumping Jacks Activity 4: Sit ups Activity 5: Lunges Activity 6: Plank Activity 7: Jog on spot Activity 8: mountain climbers.</p>
<p>Week 6</p>	<p>Reading / Phonics - (to be sent via Dojo) / Spelling Shed Writing - Can you write a recount of your weekend? Remember to include capital letters, full stops and finger spaces. Read Mr Grumpy's outing - can you draw where he went? Maths - Mathematics Subtraction Get 5 or 10 small items (buttons, pasta, toys etc) and investigate what happens when you take some away, how many do you have left? Repeat. Science - Smell - Please ask a grown up to help. If possible, close your eyes and try to guess what you are smelling (this could be something that is for dinner or a piece of fruit). Geography - How does the seaside compare to Harlow? Draw a picture to help. See photos sent.</p>

Computing - Have a go at this game, it should work on a tablet. If you have a desktop computer or a laptop please practice using the mouse.

<https://frontend.letsgolearn.com/practice/bubbles#>

Art - Using a range of resources (pens/pencils/paper/magazines etc) create your own seascape.

PSHE - Working well with others. How could you help at home? Could you read a book to a younger sibling? Could you help make a meal?

PE - Yoga Have a go at cosmic Yoga, focus on your wellbeing and identifying how you feel when doing Yoga. Does it stretch your muscles? Do you find it easy or difficult?
