

Potter Street Academy News

Dear Parents/Carers,

Next week, we will be learning about healthy lifestyles and linking this to our school '5 Ways to Wellbeing.' Every afternoon next week, children will be taking part in activities to further encourage a healthy lifestyle.

Children will be taking part in a tasting session in class with class adults to encourage them to eat more fruit and vegetables. Popular fruit and vegetables will be included in the Autumn term dinner menu.

We would really like to encourage all children and families to walk, cycle or scooter next week as part of 'Walk to School' week. If you usually drive to school, we are asking that you park a short distance away from where you would normally drop off so that you and your child can walk at least some of the way. Our aim is for all of our children to have walked to and from for all or at least part of the school week. We will present certificates to children at the end of the week.

Children will also be taking part in different activities linked to fitness throughout the week such as 'Mindful Mile' to improve resilience and fitness levels. Children will also learn about how to be sun safe.

To support our emotional and mental health we will be helping each other to resolve conflicts, be grateful for what we have and to connect with others.

Please ask your child about what they have been learning in school so they can share their skills and knowledge with you. Thank you for your continued support and engagement with us.

Please check our twitter feed where will be sharing activities throughout next week.

I hope you all have a lovely weekend and see you all on Monday 17th May.

Kath Holland

Associate Headteacher

Do you want to make a positive difference to the lives of the children at our school?

If yes, we need you!

We are looking for new governors to join our team. This is a voluntary position and no previous experience as a governor is necessary. You need a strong commitment towards improving outcomes for children, the inquisitiveness to question and analyse, and the willingness to learn. If this sounds like you, please contact our Governance Manager, Mrs Deb Bartram who will be delighted to provide you with more information:

THURSDAY 3RD JUNE - ST PAUL'S TOWN CENTRE (11.00-14.00) THURSDAY 3RD JUNE - ST

STEPHEN'S TYE GREEN/BUSH FAIR (10.00-13.00) note earlier time

FRIDAY 4TH JUNE - ST JAMES' STAPLE TYE (11.00-14.00)

These clubs are for families who need some extra help in the school holidays making ends meet or finding things to do. Numbers are still limited due to Covid restrictions so it will be first come first served, extra clubs have been put on to try to accommodate as many people as possible.

HHLC offer table crafts and activities from their friends at the Red Balloon Foundation; a freshly prepared & nutritious cooked meal; and sports and games (outside where possible and weather permitting) from their friends at Changing Lives.

HHLC are aimed at providing fun, food and friendship and additional support when they can for whole families – they understand that some family members have to work, so can arrange for takeaway meals for those family members. However, children must be accompanied by at least one adult family member/carer.

Inset Days

Please note, the following dates are inset days:-

2 July 2021
19th July 2021
20th July 2021
